

PARTNERS IN MINISTRY

The Knights of Columbus have adopted a project to restore the Kitchen Lodge at the CRC.
And what a great work they are doing!

Three near-by K of C Councils, 9708, St. Clare – 10959, St. Bernadette - 9310, St. Mary's and the Clear Lake 4th. Degree Assembly 2772 banded together to provide the necessary "time talent and treasure" to transform our Kitchen Lodge into a beautiful and efficient facility. This is a "work in progress" that promises great rewards for both the Knights and the CRC as well...
-----Below are some of the highlights of the project-----
